

# Grouptrail

## We are your ACTE WBL Division sponsor!

Grouptrail is the most intuitive, flexible, scalable, integrated, and powerful WBL hub on the market. Engage students and partners with outreach tools, track participation, manage all types of WBL opportunities, and automatically generate live data reports in one place. Join the movement – we’re working with 100+ nonprofits and government agencies, 200+ districts, and 1,000+ schools including regional and state level deals.

Grouptrail has numerous integrations (single sign on solutions, student information systems, data visualization tools), infinitely customizable student and partner facing features (to help with engagement, outreach, and all the steps involved with implementing work-based learning with fidelity), and a wealth of best practices we can share (national standards around security, WBL/CTE data reporting trends, navigating regional and statewide deployments involving IT departments, schools/districts, education service districts, government agencies, workforce development partners, community based organizations, business associations, and more).

**Grouptrail is future proof to meet you where you and your group are at, and where you would like to go on your trail toward achieving your goals with the students you support!**
